Value of Existence, Aims & Objectives	P.2
Duties and Objectives of Posts	P.3-P.9
Activities of the Year	P.10-P.23
Background Information of the 38th Proposed Executive Committee	P.24-P.30
Year Plan	P.31

Our Value of Existence:

The Social Sciences Society is here to promote and uphold social justice, by applying a wide scope of social knowledge from the study of social sciences and a diverse but critical and objective thinking.

Our Aims:

In the coming year, we are aiming at increasing participation in functions out of concern for local community; enhancing spirit, sense of belonging and harmonious atmosphere among members; increasing knowledge on the curriculum and understanding towards the nature of social sciences by the general public; catering members' needs with our limited resources.

Our Objectives:

Our work in the coming year will be based on the following objectives:

- To critically examine social controversial issues and voice out a variety of voices
- To introduce and analyze interesting cultures
- To increase members' interaction
- To understand and clarify the public's misconception on social sciences
- To provide more information of the curriculum to students
- To realize members' need to welfare and put more resources on it
- To promote general welfare to our members
